Welcome!

The first Long Island Science Congress was held on May 20th and 21st, 1950 at what was then known as Adelphi College in Garden City. The Congress has met in various editions and in several locations throughout these many years. We are honored and most happy to be able to carry on the tradition established by those dedicated persons over six decades ago.

Our Congress committee is pleased to welcome all participants, their teachers, and parents, on behalf of the Science Teachers Association of New York State (STANYS), and The Wheatley School, our host institution.
Please enjoy the program!

Awards Chairpeople:
